Waterproof IP65 LED Flexible Strip Lights SMD5050 12V 12W RGB Emitting Color
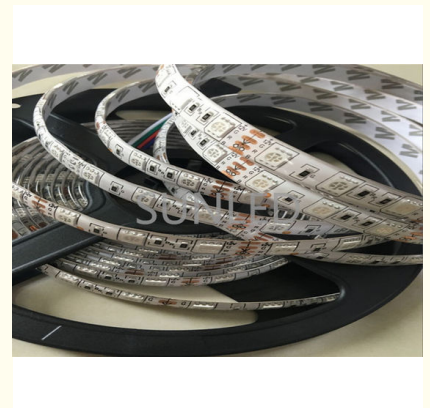

Our Product Introduction

Basic Information

- Place of Origin: Guangdonng, China(Mainland)
- Brand Name: Sunled
- Certification: CE, EMC, LVD, RoHS
- Model Number: SL-RGBWBFS60-12V
- Minimum Order Quantity: 200

Product Specification

- Product Name: SMD5050 Led Flexible Light Kit
- Input Voltage: DC12V
- Lamp Power: 12W/M
- CRI(Ra):   80
- Working Lifetime: 5000
- Working Temperature: -35-45
- Lamp Of Body: Aluminum
- Emitting Color: RGB
- Highlight: **flexible adhesive led strip lights**, **flexible waterproof led strip**

Brightness Waterproof IP65 SMD5050 LED Flexible light kit 12V 12W

Feature:

1. Full kit: Waterproof, 44 Key remote controller, RGB control box, 12V Power Adapter and spare adhesive tape for surface application.

2. Upgraded colors: Capable of creating amazing atmosphere with multicolored options, the 44 key controllerallows you to create your own versatile color scheme or coordination. Create amazing color patterns to match the scheme of your room, illuminate your surfaces and surroundings or simply for ambiance with pure white color.

3. Decorative purposes: Use the LED strip for decoration in your dining room, create a modern look by illuminating the ends of your table, the inside of your cabinets, etc. LED strips can be placed outside and used for holiday decoration. The low voltage will lower lighting cost and the LED strip lights can be used year round.

4. Easy to install: Simply connect all parts as advised, can be cut every 3 LEDs along the cutting marks without damaging the rest strips allowing LED strips to be easy placed in desired locations.Peel off the protection layer of the adhesive tape, then stick to the clean dry and flat surface.

5. Satisfaction guaranteed: 24 months warranty for quality related issues. Service team will always reply to you within 24 hours. Please contact with any questions or concerns related to the product.

Product Advantage:

1. ultra -thin FPC ,ultra-flexible, can be bent as you like, can be fixed at any irregular place, with rich color
2.Every 3 LEDS is a uint , flexible printed circuit, can be cut and connected as you like.
3. 3M adhesive tape on backside, easy to install. Can be fixed at any place.
4.DC12/24V, safe products
5. an be dimmable to meet people's requests
6.IP20,IP65,IP68, can be used inside ,outside ,into water.
7. Certifications: Rosh and CE, can be exported all over the world
8. .long lifespan

Product Details:

Product Name	SMD5050 LED flexible light kit
Input Voltage	DC12V
Lamp Power	12W
PCB Color	White
Emitting Color	RGB
Color Temperature	2800-20000K
Lamp body Material	Aluminum
Certification	CE, EMC, LVD, RoSH
Place of Origin	Guangdong, China(Mainland)
Light Source	LED
LED quantity	60LED
Warranty	2 years
