

Aluminum Lamp Recessed Cob Downlight IP44 High Brightness Flexible Adjustment

Our Product Introduction

for more products please visit us on led-stripslights.com

Basic Information

- Place of Origin: Guangdong, China(Mainland)
- Brand Name: Sunled
- Certification: CE, EMC, LVD, RoHS
- Minimum Order Quantity: 200
- Packaging Details: Carton:ch: 53X43X38 cm
- Delivery Time: 5-7days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 40000 pieces per month

Product Specification

- Input Voltage: AC100-240V
- Power: 10w/15w
- CRI(Ra): 80
- IP Rank: IP44
- Power Factor: 90
- Lumin: 110-120lm/w
- Beam Angle: 20° 40° 60°
- Lamp Body Material: Aluminum
- LED Light Source: LED
- Certification: CE, EMC, LVD, RoHS
- Brand Name: Sunled
- Warranty: 3 Years
- Highlight: **Aluminum Lamp Recessed Cob Downlight, Recessed Cob Downlight IP44, cob ceiling downlight Flexible Adjustment**

Product Description**European Standard Brightness 10W/15W Recessed COB LED Downlight IP44****Feature:**

1. **Thick aluminum radiator:** The effect of the radiator is further improved, and the damage of the lamp caused by the unsatisfactory heat dissipation is effectively avoided.
2. **High brightness LED chip:** A new generation of LED chips is used as the light source, and the circular arrangement of the chips makes the light softer.
3. **Intelligent IC constant current drive:** Effectively prevent sudden changes in voltage from causing damage to the luminaire or even causing a fire hazard.
4. **Flexible adjustment:** The lamp head can be adjusted in multiple directions to release more light efficiency space.
5. High-quality light-transmissive plate, the light transmittance is up to 90%, the light is evenly dispersed, and anti-glare treatment is performed;
6. Energy Saving up to 80% in comparison to the traditional light source;
7. Long lifetime up to 50000 hours, no bulb replacement required.

Product Information:

Power	PF	IP rank	Lumin	Beam angle	Size(mm)	
					Dia*Height	Hole
10w	90	IP44	110-120lm/w	20°,40°,60°	82*65mm	72mm
15w	90	IP44	110-120lm/w	20°,40°,60°	82*80mm	72mm

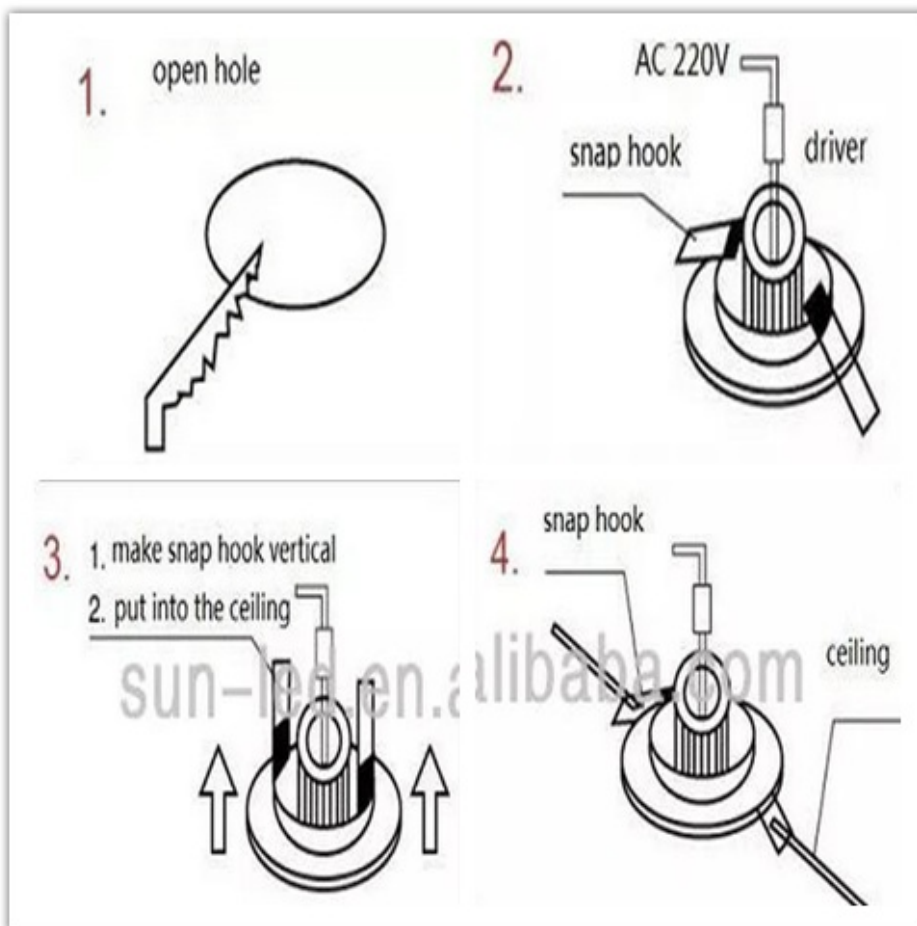

Details of Product:

- The fashion and attractive design with suitable construction sizes gives an impression of quality and value, which in turn reflects the high quality of the luminaire in terms of light and workmanship;
- Epistar LED chip: High brightness and high CRI;
- Deep processing Aviation Aluminum housing and high quality heat sink makes the downlight with good heat dissipation;
- The lighting fixture angles is adjustable makes the lighting angles is adjustable;
- Reflector can greatly improve light efficiency which will help gather light, can reduce astigmatism and glare, can be better uniformly soft the lightspots, no black hole and no yellow circle

Company Introduction:

Shenzhen Sunled Lighting CO., Ltd. has been a professional LED manufacturer since 2006, located in Shenzhen city, Guanagdong Province in China, integrating the research, production, marketing and service of LED products.

Our products mainly include LED flexible strips, LED rigid strips, COB LED light, PCB LED light, driverless LED light, LED bulb, LED downlights and LED panel lights, etc. All products are applying for CE and RoHS certifications with 3-year warranty.

Our factory is equipped with advanced LED and inspection devices. With our bridle-wise staff and management team, we can not only ensure our product quality, but also satisfy customers' requirements in accordance with our tenet of "offering the highest quality, the best prices and services in the shortest time".
