High Brightness Commercial LED Flood Light , 150W Backyard Flood Light Waterproof IP65

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China(Mainland)
- Brand Name: Sunled
- Certification: CE, EMC, LVD, RoHS
- Minimum Order Quantity: 200
- Packaging Details: Carton:32*35*25cm, 1pcs/ctn
- Delivery Time: 5-7days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Input Voltage: 110v/220v
- Power: 150w
- LED Type: SMD2835
- LED Quantity: 256
- Lumen: 100 Lm/w
- IP Rating: IP65
- Lamp Body Material: Heat Conductive Plastic+Al
- Power Factor: 0.9
- Working Temperature: -25-45
- Color Housing: Ivory White
- Highlight: **High Brightness Commercial LED Flood Light,**
                                 Commercial LED Flood Light 150W,
                                 150W Backyard Flood Light

Waterproof IP65 High Brightness 150W LED Floodlight Outdoor Light

Product Feature:

1. Each Product has been accurately designed and tested to ensure that the quality of the product meets the requirements of the customers;
2. Affordable price and high quality, from the manufacturer to the customer, there is no middleman to make a difference;
3. People-oriented quality first,strive to stabilize the industry's strength brand;
4. Enviromental-friendly products, honest cooperation;
5. GB three-proof cable:The national standard three-core waterproof cable, soild copper wire, stable current, high quality silicone insulation material on the outer surface, to prevent leakage and increaase safety;
6. High-performance stainless steel screw material, high hardness bracket, not easy to corrode, no rust,stable performance, prevent loose, safe and reliable;

Our Advantage:

Take advantage of our great selection of flood lights and low prices today! These commercial fixtures are designed to be durable and provide superior lighting for a variety of applications.
Fashionable ultra thin fairshaped appearance design, whole aluminum cooling structure;
Professional optical design makes the luminous efficiency 50% higher than traditional flood light under same conditions;
Innovative G-buckle technology to prevent glass off, easy for installation;
Use high quality LED and power supply to ensure the product reliability and life expectancy;
Waterproof IP65.
