Basic Information

- Place of Origin: Shenzhen China
- Brand Name: YSENLED
- Certification: CE ROHS LVD EMS
- Model Number: YS-R120X2835RAF3
- Minimum Order Quantity: 100
- Price: Negotiable
- Packaging Details: 115*19*20cm
- Delivery Time: Within 48 hours
- Payment Terms: T/T
- Supply Ability: 100,000 meters per week

Product Specification

- Protection Level: Waterproof
- Product Category: Aluminium LED Strip Lights
- Product Name: Multiple Color Options Available For Aluminium LED Strip Lights
- Power: 12W/roll
- Dimension (mm/roll): 8*5000 Mm/roll
- Light Source Type: SMD3528 SMD LED
- Input Voltage: AC85-265V
- Voltage: DC12V
- Highlight: **SMD5050 LED Strip Lights**, **Aluminium LED Strip Lights**, **5050 LED Strip Lights**

Product Description:

The Aluminum Alloy Ribbon Lights produce a bright and clear light with a lumen output of 6-7lm, making them perfect for use as task lighting or as ambient lighting. They are powered by a DC12V voltage, which makes them energy-efficient and cost-effective. The Wavelength/ CCT of these LED Strip Lights ranges from 2800-7500k, providing a range of color options to choose from. This feature makes them ideal for creating different moods and atmospheres in a room or space.

The Aluminum Alloy Ribbon Lights are easy to install and come with an adhesive backing, making it possible to stick them onto any surface. They are also flexible, which means they can be bent and shaped to fit any space or area. These LED Strip Lights are perfect for use in a variety of applications, including under-cabinet lighting, cove lighting, accent lighting, and backlighting.

The Multiple Color Options Available for Aluminium LED Strip Lights are an excellent investment for anyone looking to add a touch of style and elegance to their space. These LED Strip Lights are not only functional, but they are also aesthetically pleasing, making them a perfect addition to any home or business. With a range of colors to choose from and a waterproof protection level, these LED Strip Lights are sure to provide years of reliable and beautiful lighting.

Application Scenarios:

Home Decoration

Commercial Displays

Architectural Lighting

Holiday Decorations

Advertising Signs

Power: 12W/roll

Aluminum Housing LED Tape

LED Strip with Aluminum Casing

LED Strip with Aluminum Casing

Technical Parameters:

Technical Parameters	Details
Product Name	Aluminum Framed LED Strips
Protection Level	Waterproof
Features and Benefits	Flexibility, Durability, Customized Services, Easy to Install, Environmental Protection and Energy Saving
Application Scenarios	Home Decoration, Commercial Displays, Architectural Lighting, Holiday Decorations, Advertising Signs
Voltage	DC12V
Color Options	Red/Yellow/Blue/Green/White/Warm White
Light Source Type	SMD3528 SMD LED
Dimension (mm/roll)	8*5000 Mm/roll
Number of Light Sources	30, 48, 60, 90, 120, 180, 240, 360, 480 LED lamp beads
Wavelength/ CCT	2800-7500k
Luminous Flux Range	300LM to 1000LM

Applications:

With a CE ROHS LVD EMS certification and made in Shenzhen, China, you can trust the quality of our YS-R120X2835RA-F3 model. Order a minimum of 100 and receive your shipment within 48 hours, with a supply ability of 100,000 meters per week.

Our Aluminum Alloy Ribbon Lights are easy to install and come with customized services to fit your unique needs. Choose from multiple color options with a wavelength/CCT range of 2800-7500k and a luminous flux range of 300LM to 1000LM.

The LED Strip with Aluminum Casing ensures durability and environmental protection, making it a sustainable lighting option. Use them for under-cabinet lighting in your kitchen, accent lighting for your living room, or even for creating a unique display in a retail setting.

At YSENLED, we pride ourselves on providing high-quality products at negotiable prices. With packaging details of 115*19*20cm, our Aluminum LED Strip Lights are the perfect lighting solution for any occasion or scenario.

Support and Services:

The Aluminium LED Strip Lights product comes with technical support and services to ensure that customers are fully satisfied with their purchase. Our technical support team is available to answer any questions you may have about the product and help you troubleshoot any issues you may encounter. Additionally, we offer installation services to ensure that your Aluminium LED Strip Lights are installed correctly and function properly. Our team of experts can also provide maintenance and repair services to ensure that your lights continue to work effectively over time. We are committed to providing high-quality support and services to our customers to ensure their satisfaction with our products.

Packing and Shipping:

Product Packaging:
1 x Aluminium LED Strip Lights
1 x Power Adapter
1 x Remote Control
Mounting Clips and Screws
Instruction Manual
Shipping Information:
Shipping Method: Standard Shipping
Estimated Delivery Time: 5-7 business days
Shipping Cost: Free
Tracking Information: Available

FAQ:

1. What is the brand name of the LED Strip Lights?
A: The brand name of the LED Strip Lights is YSENLED.
2. What is the model number of the LED Strip Lights?
A: The model number of the LED Strip Lights is YS-R120X2835RA-F3.
3. What certification do the LED Strip Lights have?
A: The LED Strip Lights have CE, ROHS, LVD and EMS certification.
4. What is the minimum order quantity for the LED Strip Lights?
A: The minimum order quantity for the LED Strip Lights is 100 meters.
5. What are the payment terms for the LED Strip Lights?
A: The payment terms for the LED Strip Lights are T/T.
6. What is the supply ability of the LED Strip Lights?
A: The supply ability of the LED Strip Lights is 100,000 meters per week.
7. What is the delivery time for the LED Strip Lights?
A: The delivery time for the LED Strip Lights is within 48 hours.
8. What are the packaging details for the LED Strip Lights?
A: The packaging details for the LED Strip Lights are 115*19*20cm.
9. Is the price of the LED Strip Lights negotiable?
A: Yes, the price of the LED Strip Lights is negotiable.
