Aluminium Warm White LED Strip Lights with Longevity 300pcs/roll

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: YSENLED
- Certification: CE ROHS LVD EMS
- Model Number: YS-R120X2835RAF3
- Minimum Order Quantity: 100
- Price: Negotiable
- Packaging Details: 115*19*20cm
- Delivery Time: Within 48 hours
- Payment Terms: T/T
- Supply Ability: 100,000 meters per week

Product Specification

- Features: Energy-saving, Longevity, Flexibility, Easy To Install, Wide Range Of Applications
- Leds/roll: 300pcs/roll
- Product Category: Aluminium LED Strip Lights
- Color: White/Warm White
- Color Temperature Options: Warm White, Pure White, Cool White
- Lamp Bead Model: SMD5630
- Precautions: Ensure Proper Power Adapter And Sealing Measures For Waterproof Light Strips, Avoid High Ambient Temperature
- Voltage Range: DC12V
- Highlight: **Warm White LED Strip Lights**, **300pcs/roll LED Strip Lights**,

Product Description

Product Description:

If you're looking for an efficient and sleek lighting solution, look no further than our Aluminium LED Ribbon Strip. With 300 LEDs per roll, this Aluminium LED Light Strip is perfect for adding a touch of contemporary style to any space. The Aluminium Coated LED Flex Lights are easy to install and can be cut to size to fit any area, making them perfect for both commercial and residential applications.

With a low operating current of 150mA, these lights are both energy-efficient and long-lasting. Available in both white and warm white, you can choose the perfect color for your needs. And with a voltage range of DC12/DC24V, these lights are safe and reliable for use in any setting.

Our Aluminium LED Strip Lights are perfect for use in a variety of applications, including:

Accent lighting

Cabinet lighting

Task lighting

Under cabinet lighting

Architectural lighting

Whether you're looking to add a touch of style to your home or brighten up your workspace, our Aluminium LED Ribbon Strip is the perfect choice. With its sleek design, energy efficiency, and long-lasting performance, you can enjoy beautiful lighting for years to come.

Features:

Product Name: Experience Lighting with SMD5630 Light Strip in Aluminium LED Strip Lights

Product Category: Aluminium LED Strip Lights

Lumen: 50-55LM/CRI 85

CCT: 2800-7500K

Operating current: 150mA

Features:

Aluminium Frame Flexible LED strip lights

Aluminium LED String Lights

Aluminium Coated LED Flex Lights

Technical Parameters:

Product Name	Experience Lighting with SMD5630 Light Strip in Aluminium LED Strip Lights
Product Category	Aluminium LED Strip Lights
CCT	2800-7500K
Luminous flux per lamp bead	40-60 lumens
Precautions	Ensure proper power adapter and sealing measures for waterproof light strips, avoid high ambient temperature
Operating current	150mA
Size	10*5000 MM/roll
Power per lamp bead	0.5W
Voltage range	DC12V
Voltage	DC12/DC24V

Applications:

One of the unique features of the YSENLED Aluminium LED Strip Lights is its flexibility. The Aluminium Frame Flexible LED can be bent and shaped to fit any surface, making it ideal for use in a variety of settings. It is perfect for use in commercial and residential spaces, including homes, offices, hotels, shopping malls, and restaurants.

The Aluminium Light Band Strip is also an excellent choice for creating mood lighting. Its bright and vibrant colours can be used to create a warm and inviting atmosphere in any room. The LED light strip is available in a variety of colours, including white, red, green, blue, and yellow.

The YSENLED Aluminium LED Strip Lights are easy to install and can be mounted on any surface using adhesive tape or mounting clips. The LED strip is also energy-efficient, with a power per lamp bead of only 0.5W. This means that it is an environmentally friendly lighting solution that can help reduce electricity costs.

Whether you are looking to create a dramatic effect in your home or office, or simply want to add some accent lighting to a room, the YSENLED Aluminium LED Strip Lights are an excellent choice. With 300pcs of LED per roll, and a product category of Aluminium LED Strip Lights, the product name is "Experience Lighting with SMD5630 Light Strip in Aluminium LED Strip Lights".
