DC24V Flexible LED Strip Lights High Brightness The Perfect Lighting Solution

Our Product Introduction

Basic Information

- Place of Origin: shenzhen china
- Brand Name: sunled
- Certification: CE ROHS LVD EMS
- Model Number: SL-CW2835FS120-12V
- Minimum Order Quantity: 100meters
- Packaging Details: carton
- Delivery Time: 5-15 working days
- Payment Terms: TT,PAYPAL , WEST UNION
- Supply Ability: 10000m/week

Product Specification

- CRI: 83/81
- Brightness: High
- LED Qty: 600pcs/Roll
- Power/Roll: 96W/Roll
- CCT: 6000-6500/2800-3000
- Product Name: Flexible SMD2835 LED Strip Lights With 5mm Circuit Board Width For Various Installation Needs
- Color: White/Warm White
- Light Efficiency: Uniform And Bright Light
- Highlight: **DC24V Flexible LED Strip Lights**, **High Brightness Flexible LED Strip Lights**

Product Description

Product Description:

The LED Flexible Strip Lights are designed with a high CRI of 83/81, ensuring that colors appear as natural and vibrant as possible. The high brightness level ensures that your space will be well-lit, and the IP67 protection level means that you can use these lights even in damp or wet environments without worrying about damage.
The LED Flexible Strip Lights use SMD 2835 LED technology, meaning that they are highly efficient and long-lasting. The flexibility of the strip means that you can easily install these lights in any space, no matter how tight or awkward the area may be.
Whether you're looking to add some mood lighting to your living room, brighten up your kitchen, or add some accent lighting to your outdoor patio, our LED Flexible Strip Lights are the perfect solution.

Features:

Product Name: LED Flexible Strip Lights
CCT: 6000-6500/2800-3000
Installation: Concealed installation and customization
Size: 5*5000 MM/Roll
Protection Level: IP67
Lumen Per LED: 22-24LM
Features:
Flexible strip lights
5mm LED strip
Flexible LED strip lights

Technical Parameters:

Product Name	Flexible SMD2835 LED Strip Lights With 5mm Circuit Board Width For Various Installation Needs
Product Category	LED Flexible Strip Lights
Size	5*5000 MM/Roll
Color	White/Warm White
Power/Roll	96W/Roll
Light Efficiency	Uniform and bright light
LED Qty	600pcs/Roll
Installation	Concealed installation and customization
Power	10W per meter
Working Voltage	12V and 24V

Applications:

These strip lights are made using high-quality SMD 2835 LED chips, which provide bright and uniform light that is perfect for any application. With 600 LEDs per roll, these strip lights are sure to provide ample lighting for any space. Additionally, these strip lights have a high CRI of 83/81, which means that colors will look more vibrant and true to life.
The sunled SL-CW2835FS120-12V LED Flexible Strip Lights are also incredibly easy to install. They can be concealed and customized to fit any space, making them a great option for those who want to add some extra lighting without it being too noticeable. Additionally, these strip lights are certified by CE, ROHS, LVD, and EMS, ensuring that they meet the highest standards of quality and safety.
These LED strip lights are perfect for a wide range of occasions and scenarios. Whether you're looking to add some extra lighting to your home, office, or retail space, these strip lights are the perfect solution. They can be used to create mood lighting, highlight certain areas, or simply provide additional brightness to any room.
The sunled SL-CW2835FS120-12V LED Flexible Strip Lights have a minimum order quantity of 100 meters and can be paid for using TT, PayPal, or West Union. With a supply ability of 10,000 meters per week, you can rest assured that these strip lights will always be available when you need them. Delivery time is 5-15 working days, and packaging details include a sturdy carton to ensure that your strip lights arrive in perfect condition.
In conclusion, if you're looking for high-quality, versatile LED strip lights, the sunled SL-CW2835FS120-12V LED Flexible Strip Lights are an excellent choice. With their bright and uniform light, easy installation, and high-quality construction, these strip lights are sure to provide the perfect lighting solution for any occasion.

Support and Services:

Packing and Shipping:

Product Packaging:
1 x LED Flexible Strip Lights
1 x Power Adapter
1 x Remote Control
1 x User Manual
Shipping Information:
Shipping Method: Standard Shipping
Estimated Delivery Time: 5-7 business days
Shipping Cost: Free
Tracking Information: Available

FAQ:

Q1: What is the brand name of the LED Flexible Strip Lights?
A1: The brand name of the LED Flexible Strip Lights is sunled.
Q2: What is the model number of the LED Flexible Strip Lights?
A2: The model number of the LED Flexible Strip Lights is SL-CW2835FS120-12V.
Q3: What certifications does the LED Flexible Strip Lights have?
A3: The LED Flexible Strip Lights have CE, ROHS, LVD, and EMS certifications.
Q4: Where is the LED Flexible Strip Lights manufactured?
A4: The LED Flexible Strip Lights are manufactured in Shenzhen, China.
Q5: What is the minimum order quantity for the LED Flexible Strip Lights?
A5: The minimum order quantity for the LED Flexible Strip Lights is 100 meters.
Q6: What are the payment terms for the LED Flexible Strip Lights?
A6: The payment terms for the LED Flexible Strip Lights are TT, Paypal, and West Union.
Q7: What is the supply ability of the LED Flexible Strip Lights?
A7: The supply ability of the LED Flexible Strip Lights is 10000m/week.
Q8: What is the delivery time for the LED Flexible Strip Lights?
A8: The delivery time for the LED Flexible Strip Lights is 5-15 working days.
Q9: What are the packaging details for the LED Flexible Strip Lights?
A9: The packaging details for the LED Flexible Strip Lights are carton.
