

Multifunctional LED Surface Mounted Embedded Dark Mounted Linear Light For Corridor Living Room Ceiling

Our Product Introduction

Basic Information

- Place of Origin: SHENZHEN CHINA
- Brand Name: YSENLED
- Certification: CE ROHS LVD EMS
- Model Number: YS-BAPL067-F
- Minimum Order Quantity: 10
- Price: Negotiable
- Packaging Details: 10*1000*20
- Delivery Time: 2DAYS
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100,000 meters per week

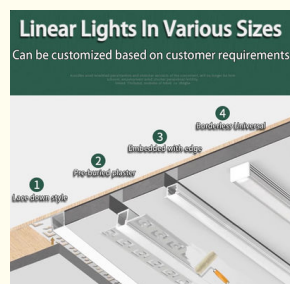

Product Specification

- Quality Certification: CE Certified
- Led Chip: 5050 Specification LED Chip
- Adhesive Backing: 3M Double-sided Tape
- Price Range: From A Few Yuan To Dozens Of Yuan
- Lumen: 18-20LM/ CRI 85
- Heat Dissipation Design: Good Thermal Conductivity
- Item Type: Light Strips
- Processing Performance: Easy To Cut, Drill, Bend
- Light Source: LED
- Surface Treatments: Oxidation, Sandblasting, Wire Drawing
- Power Supply Voltage: Supports DC12V And DC24V Versions
- Cct: 2800-7500K
- Length: 5 Meters
- Power Factor: Above 0.9
- Service: Custom

Product Description

Product details: Surface mounted linear lights, embedded concealed installation, corridor living room ceiling LED linear light trough, aluminum alloy light strip linear lights

1. Product Overview

This product is an LED lighting solution that combines beauty and practicality, and is specially designed for home spaces such as corridors and living rooms. It combines the advantages of three installation methods: surface mounted, embedded and concealed, and combines aluminum alloy light troughs with LED linear light sources to provide modern homes with high-quality, personalized lighting experience.

LED Linear Light Aluminum Groove

200 models and styles

High quality aluminum

DID MASERATI HIT BMW AFTER DRINKING A YEAR AGO? WHO WOULD HAVE THOUGHT THAT THIS CASE HAS NOT YET RECEIVED A FINAL JUDGMENT. IN FACT, MANY NEW DEVELOPMENTS IN THIS MATTER RECENTLY, HOWEVER

Styles Can Be Matched As Desired

2. Product Features

Flexible installation method: Whether it is directly mounted on the wall or ceiling surface, or embedded in the ceiling for concealed installation, this product can easily cope with it and meet different decoration styles and lighting needs.

High-quality LED light source: Using the latest generation of LED chips to ensure high brightness and low energy consumption, the light is soft and uniform, without flicker, effectively protecting eyesight and creating a comfortable light environment.

Aluminum alloy light trough: Made of selected high-quality aluminum alloy materials and finely processed, it not only has a stylish and beautiful appearance, but also has good heat dissipation performance, effectively extending the service life of the LED light source.

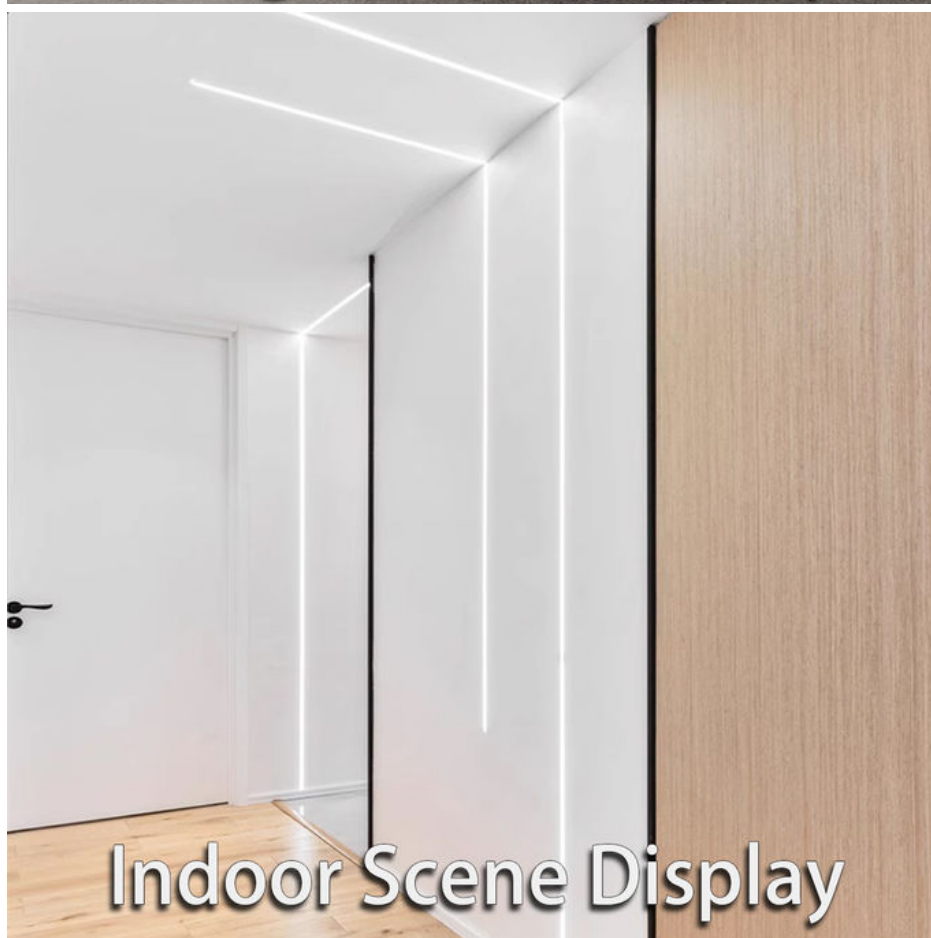

Linear design: The streamlined light trough design is simple and elegant, and can be easily integrated into various modern home styles. At the same time, the length of the light trough can be customized or cut according to actual needs to achieve flexible layout.

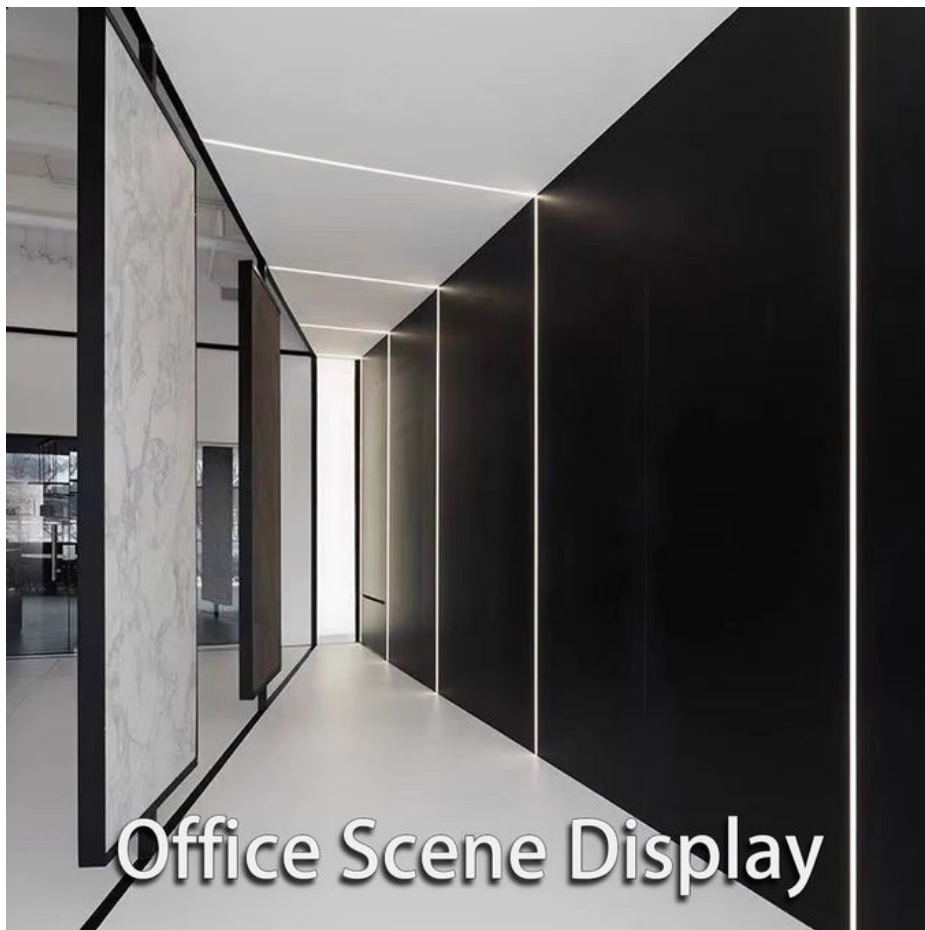

Intelligent control options (some models): Some products support intelligent control functions, such as remote control through mobile phone APP, voice assistant, etc., to achieve personalized settings such as brightness adjustment and color temperature change, making lighting more intelligent and convenient.

Safe and durable: The product has undergone strict quality control and safety testing to ensure safety and stability during use. At the same time, the aluminum alloy material has good anti-corrosion and anti-rust properties, ensuring that it will not deform or fade after long-term use.

3. Application scenarios

This product is widely used in lighting decoration in various places such as homes, offices, hotels, and shopping malls. Used in areas such as aisles and living rooms, it can not only provide sufficient lighting, but also enhance the overall beauty and grade of the space.

Office Scene Display

4. Summary

The surface-mounted linear lamp, embedded concealed aisle living room ceiling LED linear lamp trough, aluminum alloy lamp strip linear lamp is a modern home lighting product that integrates beauty, practicality, and intelligence. It has won the favor of consumers with its high-quality light source, exquisite aluminum alloy lamp trough and flexible installation method. Whether it is a new house decoration or an old house renovation, it can add a touch of bright color to your home space.
