Product Description

Modern Home LED Flexible Light Strip

72 watts per roll - meeting both decorative and lighting needs for modern homes

Product Overview

This three-color LED strip light is specifically designed for modern homes, ideal for ceiling decoration and lighting in living rooms. The long strip design seamlessly integrates with various home styles while offering waterproof capabilities for outdoor use, enhancing your home space with warmth and style.

VISIBLE DETAILS

Key Features

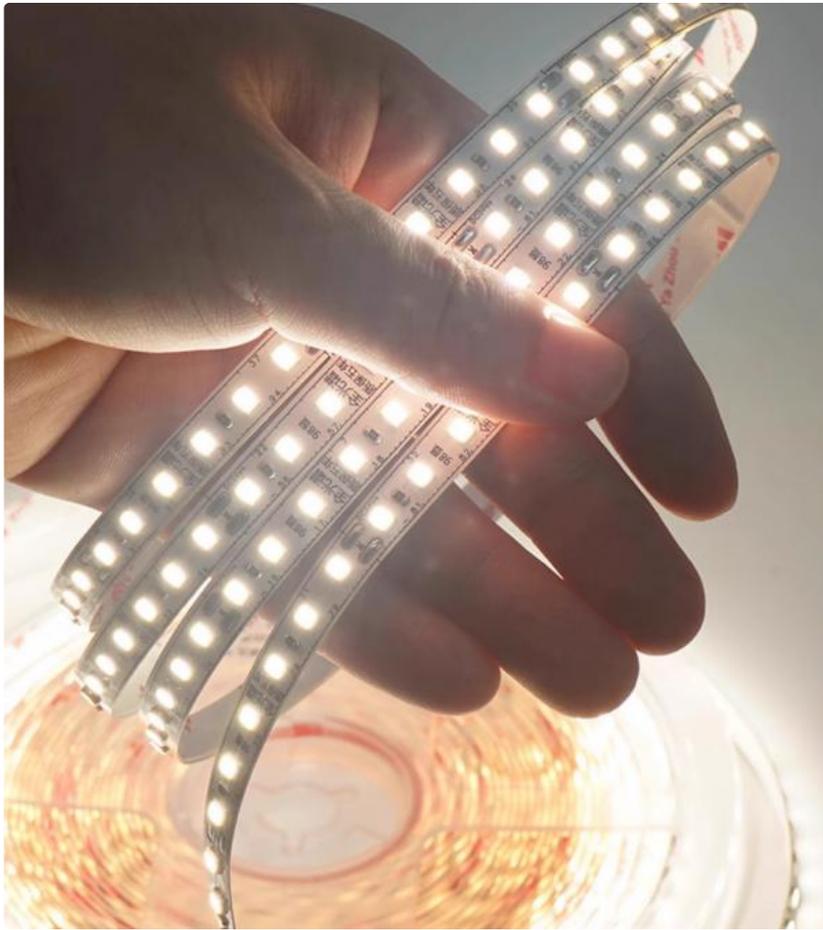

Tri-Color Adjustable: Switch between white light, warm light, and neutral light color temperatures to suit different scenes and moods

Waterproof Design: Waterproof patch material maintains stable lighting performance in outdoor or humid environments

High Efficiency & Energy Saving: LED technology provides superior energy efficiency and long lifespan

Modern Design: Simple, elegant strip design complements various home decor styles

Flexible Installation: Customizable length and easy installation for different space requirements

HIGH QUALITY LIGHT STRIP

Technical Specifications

Input Voltage	24V (Compatible with Chinese household voltage standards)
LED Chip	High-efficiency LED chips for uniform, stable light output
Waterproof Rating	IPXX (Specific rating varies by product model)
Color Temperature Range	White light, warm light, neutral light
Certifications	Complies with international standards including CE and RoHS

Application Scenarios

Living Room Ceiling: Perfect as main lighting or ambient light source for comfortable family gatherings

Outdoor Spaces: Ideal for balconies, terraces, and other outdoor decorative lighting applications

Additional Home Areas: Suitable for bedrooms, studies, dining rooms, and other interior spaces

Installation & Maintenance

Installation: Follow product instructions for proper installation. Ensure the light strip is flat and securely fixed to surfaces. Maintain stable power connections.

Maintenance: Regular surface cleaning maintains brightness. Contact professionals for any damage or malfunction repairs.

This versatile tri-color LED light strip is suitable for living rooms, lounge areas, and various other spaces. It functions excellently as ceiling lighting, long strip lighting, or outdoor waterproof lighting. Its superior performance and stylish design make it ideal for both home decorating enthusiasts and commercial space designers.
