

## 12V Low Voltage Silicone Waterproof LED Light Strip with Programmable Voice Control for Dynamic Lighting Effects

Our Product Introduction

### Basic Information

- Place of Origin: SHENZHEN CHINA
- Brand Name: YSENLED
- Certification: CE ROHS LVD EMS
- Model Number: YS-BAPL067-F
- Minimum Order Quantity: 10
- Price: Negotiable
- Packaging Details: 10\*1000\*20
- Delivery Time: 2DAYS
- Payment Terms: L/C,D/A,D/P,T/T,Western Union
- Supply Ability: 100,000 meters per week

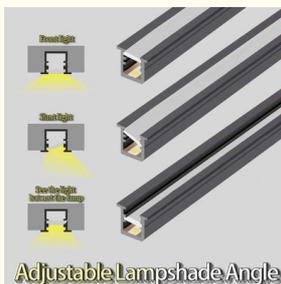

### Product Specification

- Highlight: 12V Low Voltage LED Light Strip, Programmable Voice Control LED Light Strip, Silicone Waterproof LED Flexible Strip Lights

## Product Description

### 12V Low-Voltage Silicone Dream Color Marquee LED Strip

Experience the future of lighting with our programmable, voice-controlled LED strip that combines advanced technology with stunning visual effects. Perfect for commercial and residential applications.

#### Key Features & Benefits

**Low-Voltage Safety:** 12V power supply ensures safe operation and reliable performance even during extended use

**Premium Silicone Construction:** High-quality silicone housing provides excellent waterproof, dustproof, and weather-resistant properties

**Dynamic Marquee Effects:** Multi-color LED chips create dazzling color transitions and adjustable brightness for captivating visual experiences

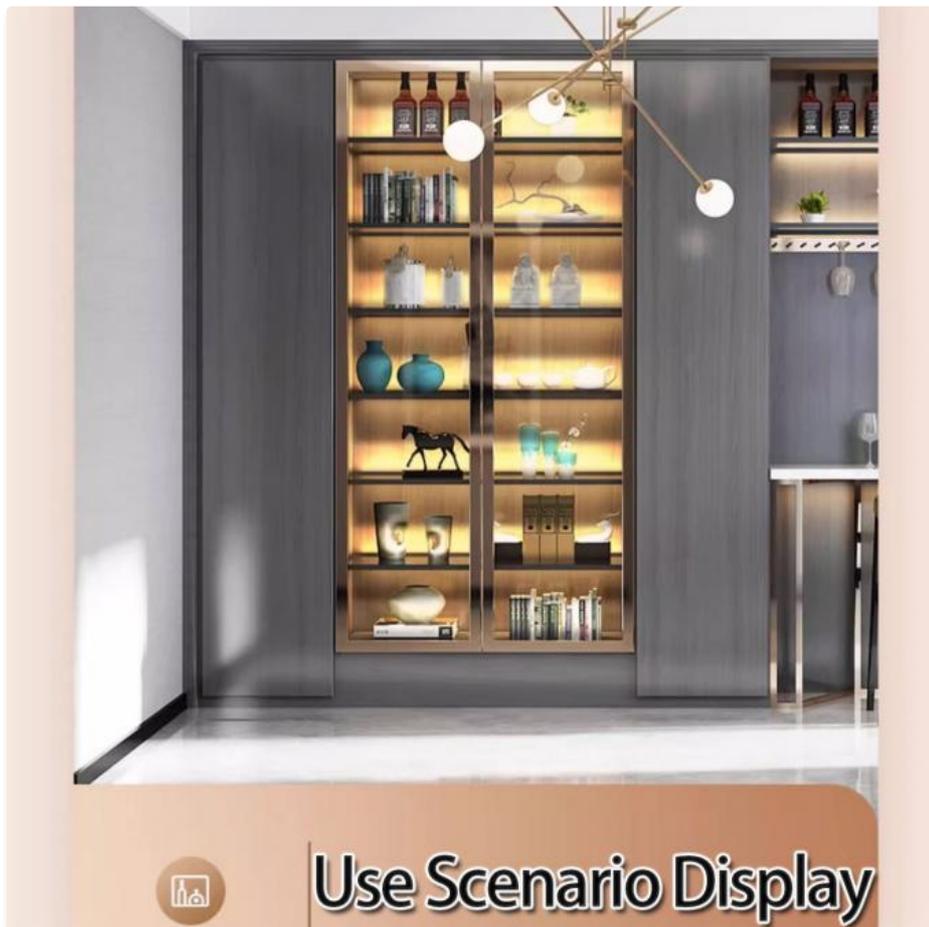

**Programmable Control:** Customize colors, brightness, speed, and modes via remote control or mobile app for personalized lighting

**Voice-Activated Interaction:** Built-in microphone automatically syncs lighting changes with ambient sounds and music rhythms

**Versatile Applications:** Ideal for bars, KTVs, cafes, outdoor landscapes, home decor, celebrations, and automotive interiors

#### Installation & Maintenance

Easy installation with multiple mounting options including adhesive backing and clip-on fixtures. Low-voltage design ensures safe maintenance and extended service life without damaging existing decor.

**Product Specifications:** 12V low-voltage operation • 5-meter length • Silicone waterproof housing • Programmable color modes • Voice control capability • Multiple installation options
